CUNNINGHAM

REMARKS

In reviewing the Notice of Allowance mailed on November 7, 2005, Applicant's undersigned attorney noted that the specification has been amended by Examiner's Amendment to paragraph [0001]. The provisional filing date has been incorrectly amended to May 27, 2003 based upon the Examiner's assertion that the drawings were not included with the provisional application filed on March 18, 2003. As noted on the return postcard, three sheets of drawings were filed on March 18, 2003 and acknowledged as received. Attached is a copy of our itemized return postcard bearing the date the provisional application (including 17 pages, 15 claims and 3 drawing sheets) was received by the U.S. Patent Office Mailroom on March 18, 2003. Also attached is a copy of the Petition to Correct Filing Receipt we filed simultaneously herewith.

Applicant submits that these corrections do not affect the allowability of the application and would request that the application not be withdrawn from issuance.

Should any questions arise regarding the entry of this amendment, the Examiner is respectfully requested to telephone the undersigned at the Examiner's convenience.

Respectfully submitted,

CHRISTOPHER F. REGAN
